Session Testimonials

- The topic was sensational
- Discussion after questions was very interesting and beneficial
- I enjoyed hearing from my table about how they see civic education in their countries
- I wish Najwan could come back and do another presentation
- I thought it was interesting challenges countries have with teaching civic education. I didn't think about cultural challenges
- I loved the research presentation on civic education in Israel
- I loved the discussion about immigrants' perspectives on political institutions - Korean and Nigerian perspectives
