## Session Testimonials

Well organized and everyone moved on time – time allotted was well followed.

I loved the idea of an art "collective" that is not focused on the individual artists.

The website on Africa is very interesting and useful in the classroom – the explanation of French colonialism was fabulous.

I learned the Miner's Boot Dance which I could connect to history and teach to my students.

Marvelous! My 8<sup>th</sup> graders will be learning these dances on Monday!
