Social Capital and Economic Development: How relationships between people affect trade

Presenter: Lindon Robison,
MSU Professor of Agricultural Economics

What's happening in our schools and around the world?

Panel Presenters:
Brad Brunner (Haslett High School)
Hong Qian (China)
Corvell Cranfield (S. Africa)
Facilitator: Stefanie Kendall

Some GLCE's & HSCE's covered in the session:

Session Testimonials

I learned that relationships alter terms and level of trade.

In Pakistan they place a lot of importance on titles and they are identified on car license plates.

I was impressed with the teaching competition in China and how it is so embraced.

Brad demonstrated a great way to increase learning by incorporating game-like educational simulations.

GLCE's:

- 1-E.1.05 Reasons why people trade
- 4-E.1.03 Positive & negative incentives
- 6-E3 Reasons for specialization

HSCE

- 3.2.5 Global Economy and Marketplace
